INTRODUCTION

On the 105 rolls of this microfilm publication, M1822, are reproduced the compiled military service records of volunteer Union soldiers belonging to the 14th through the 19th infantry units organized for service with the United States Colored Troops (USCT). The USCT included 7 numbered cavalry regiments; 13 numbered artillery regiments plus1independent battery; 134 numbered infantry regiments; Brigade Bands Nos. 1 and 2 (Corps d'Afrique and U.S. Colored Troops); Powell's Regiment Colored Infantry; Southard's Company Colored Infantry; Quartermaster Detachment; Pioneer Corps, 1st Division, 16th Army Corps; Pioneer Corps, Cavalry Division, 16th Army Corps; Unassigned Company A Colored Infantry and Unassigned USCT. The are also miscellaneous service cards arranged alphabetically by surname at the end of the unit records. The records reproduced are part of the Records of the Adjutant General's Office, 1780's–1917, Record Group (RG) 94.

Background

Since the time of the American Revolution, African Americans have volunteered to serve their country in time of war. The Civil War was no exception. Official sanction was the difficulty. In the fall of 1862 four Union regiments of African Americans were raised in New Orleans, LA: the 1st, 2nd, and 3rd Louisiana Native Guard, and the 1st Louisiana Heavy Artillery (African Descent). The 1st South Carolina Infantry (African Descent) was not officially organized until January 1863; however, three companies of the regiment were on coastal expeditions as early as November 1862. The 1st Kansas Colored Infantry was not mustered into Federal service until January 1863, even though the regiment had already participated in the action at Island Mound, MO, on October 27, 1862. These early unofficial regiments received little Federal support, but they showed the strength of the African American soldier's desire to fight for freedom.

The first official authorization to employ African Americans in Federal service was the Second Confiscation and Militia Act of July 17, 1862 (12 Stat. 592). This act allowed President Abraham Lincoln "to employ as many persons of African descent as he may deem necessary and proper for the suppression of this rebellion, and for this purpose he may organize and use them in such manner as he may judge best for the public welfare." The President did not authorize use of African Americans in combat, however, until issuance of the Emancipation Proclamation on January 1, 1863.

In late January 1863, Gov. John Andrew of Massachusetts received permission to raise a regiment of African American soldiers. Because the pace of organizing additional regiments was very slow, Secretary of War Edwin M. Stanton sent General Lorenzo Thomas to the lower Mississippi Valley in March to recruit free and contraband African Americans. Thomas was given broad authority. He was to

explain the administration's policy regarding African American soldiers and recruit volunteers to raise and command them. Stanton wanted all officers of such units to be white, but that policy was softened to allow African American surgeons and chaplains. By the end of the war, in addition to the chaplains and surgeons, there were 87 African American officers. Thomas's endeavor was very successful, and on May 22, 1863, the Bureau of Colored Troops was established to coordinate and organize regiments from all parts of the country. Created under War Department General Order No. 143, the bureau was responsible for handling "all matters relating to the organization of Colored Troops." The bureau was directly under the Adjutant General's Office and its procedures and rules were specific and strict. All African American regiments were now to be designated United States Colored Troops (USCT). At this time there were some African American regiments with state names and a few regiments in the Department of the Gulf designated as Corps d'Afrique. The Corps d'Afrique units ultimately became numbered regiments in the USCT. The 54th and 55th Massachusetts Infantries (Colored), the 5th Massachusetts Cavalry (Colored), the 29th Connecticut Infantry (Colored), the 6th and 7th Louisiana Infantries (African Descent), the 3rd Tennessee Volunteer Infantry (African Descent), and the 1st South Carolina Volunteers (Colored) retained their number and state designation, but served under the Bureau of Colored Troops.

To facilitate recruiting in Maryland, Missouri, Tennessee, and eventually Kentucky, the War Department issued General Order No. 329 on October 3, 1863. Section 6 of the order stated that if any citizen should offer his or her slave for enlistment into the military service, that person would, "if such slave be accepted, receive from the recruiting officer a certificate thereof, and become entitled to compensation for the service or labor of said slave, not exceeding the sum of three hundred dollars, upon filing a valid deed of manumission and of release, and making satisfactory proof of title." For this reason, some records of manumission are contained in the compiled service records reproduced in this publication.

The USCT fought in 39 major engagements and over 400 lesser ones. Sixteen African American soldiers received the Medal of Honor. As it was in other units, the death toll from disease was very high in the USCT. Deaths from disease and battle totaled approximately 37,000. The last regiment of the USCT was mustered out of Federal service in December 1867.

Important sources for information about African American units in the Civil War are the War Department's *The War of the Rebellion: A Compilation of the Official Records of the Union and Confederate Armies* (Washington, DC: 1880–1901; reprinted Harrisburg, PA, 1971 and 1985) and the Navy Department's *The War of the Rebellion; A Compilation of the Official Records of the Union and Confederate Navies* (Washington, DC: 1874–1922; reprinted Harrisburg, PA, 1971 and 1985). These multivolume works contain reports of operations and other official correspondence.

14th United States Colored Infantry

This regiment was formed between November 16, 1863, and January 8, 1864, in Tennessee. The various companies of the 14th USCT were initially detailed to garrison duty, railroad protection, or wagon train protection between Chattanooga, Tennessee, and Dalton, Georgia. The 14th USCT saw its first combat on August 14th and 15th, 1864, when it engaged in heavy skirmishing with raiding parties from General Joseph Wheeler's cavalry at Dalton, Georgia. The regiment again saw combat on October 28, 1864, at Decatur, Alabama. The 14th USCT fought in the Battle of Nashville, December 15 and 16, 1864, and took part in the pursuit of the remainder of Hood's forces to the Tennessee River from December 17–28, 1864. Following the Nashville, Tennessee, campaign the regiment returned to guarding railroads and garrison duty throughout the Department of Tennessee until it was mustered out on March 26, 1866.

15th United States Colored Infantry

This regiment was organized at Nashville, Tennessee, December 2, 1863, to March 11, 1864. The 15th USCT was responsible for railroad and guard duty at Nashville, Columbia, and Pulaski, Tennessee, from March to June 1864. From June 1864 until it mustered out on April 30, 1866, the 15th regiment was engaged in post duties throughout the District of Middle Tennessee.

16th United States Colored Infantry

This regiment was formed at Nashville, Tennessee, between December 4, 1864, and February 13, 1864. It performed guard duty until September 24, 1864. Between September 25 and 27, 1864, the regiment participated in several skirmishes against General Nathaniel Bedford Forrest's forces near Pulaski, Tennessee. The 16th USCT participated in the Battle of Nashville December 15–16, 1864, and the pursuit of General Hood's forces to the Tennessee River until December 28, 1864. The regiment returned to guard duty at Nashville and in Middle and East Tennessee until it mustered out on April 30, 1866.

17th United States Colored Infantry

The 17th USCT was organized from December 12 to 23, 1863, at Nashville, Tennessee. The regiment performed guard duty at Murfreesboro, Franklin, and Saundersville, Tennessee, until November 1864. On December 15–16, 1864, the regiment fought at the Battle of Nashville and suffered two officers killed and four wounded, and thirteen enlisted men killed and 58 wounded. The 17th USCT participated in the pursuit of General Hood's remaining forces until December 26, 1864. On December 27, 1864, the regiment was engaged in light skirmishing near Decatur, Alabama. For the remainder of its service the regiment served on guard duty in the Department of Tennessee until it mustered out on April 25, 1866.

18th United States Colored Infantry

This regiment was organized in Missouri from February 1 through September 28, 1864. It performed guard duty first at Paducah, Kentucky, then at Nashville, Tennessee, November 7 to December 11, 1864. The regiment withstood the siege of Nashville by General Hood's army December 1–15, 1864. It participated in the Battle of Nashville and the subsequent pursuit of General Hood, December 15–30, 1864. On January 27, 1865, a detachment of three officers and 75 men fought at the skirmish of Sand Mountain, or Elrod's Tan Yard. The regiment was stationed at Nashville, Tennessee, until it mustered out February 21, 1866.

19th United States Colored Infantry

The 19th USCT regiment was organized at Camp Stanton, Maryland, from December 25, 1863, until January 16, 1864, and was stationed at Camps Stanton and Birney until March 1864. From April to June 1864, the 19th USCT participated in the campaign from the Rapidan to the James River, Virginia. The regiment took part in the siege of Petersburg and fought in the Battle of the Crater July 30, 1864. It was engaged in the Richmond campaign and entered the city on April 3, 1865. The 19th USCT was present at the surrender of General Robert E. Lee at Appomattox Court House April 9 and 10. Transferred to Brownsville, Texas, for duty on the Rio Grande River, the regiment mustered out on January 15, 1867.

Records Description

Compiled service records consist of a jacket-envelope for each soldier, labeled with his name, rank, unit, and card numbers. The compilation of service records of Union soldiers began in 1890 under the direction of Col. Fred C. Ainsworth, head of the Record and Pension Office of the Adjutant General's Office, Department of War. Information from muster rolls, regimental returns, descriptive books, and other records was copied verbatim onto cards. A separate card was prepared each time an individual name appeared on a document. These cards were numbered on the back, and these numbers were entered onto the outside jacket containing the cards. The carded information was verified by a separate operation of comparison; great care was taken to ensure that the cards were accurate.

A typical jacket contains card abstracts of entries found in original records relating to the soldier and original documents relating solely to that soldier. Examples of the latter include enlistment papers, substitute certificates, casualty sheets, death reports, prisoner-of-war memorandums, and correspondence. Unique to the records of the USCT are deeds of manumission, oaths of allegiance, proofs of ownership, certificates of monetary award, and bills of sale. These items appear most frequently in units recruited in the border states of Kentucky, Missouri, and Maryland. These states remained in the Union but were slave states. Jackets and cards include a section labeled "bookmark," which was reserved for cross-references to other records relating to the individual or his unit. The service records are arranged by

arm of service, thereunder numerically by regiment or independent battalion or company, and thereunder alphabetically by name of the soldier. Records for officers are interfiled alphabetically by name with the records of enlisted men. If an individual served in more than one unit, which was typical for USCT officers, there will be a separate service record for each unit in which he served.

The unjacketed miscellaneous cards were accumulated by the War Department with the expectation that they would be incorporated in individual compiled service records. The expectation was never fulfilled, however, because either insufficient or contradictory information made it impossible to associate the cards or papers with a particular soldier's service record.

Related Records

Among the records of the Adjutant General's Office in the National Archives are many of the original records that were abstracted or "carded" by the Record and Pension Office. These include the individual unit's muster rolls, returns, and descriptive books. Other series in RG 94 that contain information relating to volunteer Union soldiers who served with the USCT include carded records relating to Union staff officers, carded medical records of volunteer Union soldiers, unbound and bound regimental records, and "record of events" cards. The regimental records of the 54th Massachusetts Infantry (Colored) have been reproduced as Microfilm Publication M1659, *Records of the Fifty-fourth Massachusetts Infantry Regiment (Colored), 1863–1865.*

The "record of events" cards include information copied from the unit's muster rolls and returns. They show the stations of the field and staff as well as the stations of the companies of the regiment at the time the muster roll or return was prepared and sometimes mention battles, skirmishes, or other activities in which the regiment participated. The cards have been reproduced as Microfilm Publication M594, *Compiled Records Showing Service of Military Units in Volunteer Union Organizations.*

Record Group 94 also includes a card index for the USCT, reproduced as Microfilm Publication M589, *Index to Compiled Military Service Records of Volunteer Union Soldiers Who Served with U.S. Colored Troops*, which may be used to locate the regiment of USCT personnel. An index card gives the name of the soldier and his rank, as well as the unit in which he served; sometimes there is a cross-reference to his service in other units or organizations. The National Archives is continually producing microfilm publications of volunteer Union compiled military service records. A complete listing of finished publications can be found in the National Archives *Microfilm Resources for Research: A Comprehensive Catalog*, which is available online at *http://www.nara.gov.*

The Records of the Colored Troops Division, within RG 94, include division correspondence and records relating to recruiting, the appointment of officers, and the slave or free status of individuals, as well as a compilation of historical extracts and official papers concerning the military service of African Americans from the colonial period through the Civil War entitled *The Negro in the Military Service of the United States 1639–1886.* This compilation is reproduced as Microfilm Publication M858. The Records of the Bounty and Claims Division, also in RG 94, include correspondence of the division and records relating to bounties and claims paid to loyal owners of slaves by the Slave Claims Commissions of Delaware, Kentucky, Maryland, Missouri, Tennessee, and West Virginia.

If a soldier applied for a pension, the pension application case file may be among the Records of the Veterans Administration (RG 15). Indexes to the pension applications have been reproduced as Microfilm Publication T288, *General Index to Pension Files, 1861–1934,* and T289, *Organizational Index to Pension Files of Veterans Who Served Between 1861 and 1900.*

If a soldier or officer was tried before a general court-martial or if an individual or his unit was the subject of a court of inquiry or military commission, transcripts of the proceedings may be among the Records of the Office of the Judge Advocate General (Army) (RG 153). The registers to the proceedings have been reproduced as Microfilm Publication M1105, *Registers of the Records of the Proceedings of the U.S. Army General Courts-Martial, 1809–1890.*

Other record groups having information pertaining to the USCT include Records of the Bureau of Refugees, Freedmen, and Abandoned Lands (RG 105); Records of the Provost Marshal General's Bureau (Civil War) (RG 110); Records of the Accounting Officers of the Department of the Treasury (RG 217); and Records of U.S. Army Continental Commands, 1821–1920 (RG 393).

Holdings of the National Archives relating to the Civil War are outlined in Kenneth W. Munden and Henry Putnam Beers, *Guide to Federal Archives Relating to the Civil War* (Washington, DC: National Archives, 1962) and Henry Putnam Beers, *Guide to the Archives of the Government of the Confederate States of America* (Washington, DC: National Archives, 1968), which were reprinted as *The Union* (1986) and *The Confederacy* (1986).

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ½, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates *direct* to the Adjutant General United States Army, at Washington, D. C., they will not, under any circumstances, be given into the hands of the soldier.

NOTES.

1. The amount of any *extra* pay for which the soldier may be mustered, *ex. gr.* as *gunny, hospital steward, as Saddler, &c.*, and which may be *still due* him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the *whole* amount *hitherto paid* him; in that of "BOUNTY DUE," the *whole* amount *yet due* him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for *loss* or *damage* done to *arms*, or other *public property*, must be noted, and the *articles*, and *particular damage* to each, specified. When stoppages are due, under sentence of a Court Martial, *a transcript of the same* must be entered here; and the amount *already stopped*, must be *carefully* stated.
4. In every case of *desertion*, the *date*, and that of *delivery*, or *apprehension*, must be given, together with a correct transcript of the order of *sentence or pardon*.
5. *A careful settlement of the man's* CLOTHING ACCOUNT *must be made, to date, and the amount* DUE TO, *or* FROM *him must be precisely stated.*
6. Should the man have been engaged in any *action* or *skirmish*, it must be mentioned, together with *date* and *place*. *A full and particular mention* will be made of any *wounds* he may have received in *action*, or *other injury*, whilst in the *line of his duty*.

[A. G. O. No. 93.]

J. H. C.

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the TREASURY Dep't.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was drafted, or, if a *substitute*, when enlisted, (substitutes, under the Enrollment Act, are mustered in by enlistment;) under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted;) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *4th D. Mass.*; (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men *acting* as such

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—,) ——— regiment of ———, who died at ———, the —— day of ———, 186-."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

FINAL STATEMENT

OF

Corpl. George Baxter

19th Reg't of U. S. C. Troops

6 (c) VOLUNTEERS.

Nov 25th 1865

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed "Inventory of the effects of —— ——, late of company (—,) —— regiment of ——, who died at —— the —— day of ——, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased. This should be done according to Forms 5 and 6, and one copy of each sent to the Adjutant General. No copy of the order convening the board is required, the approval of the commanding officer being sufficient.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5,) accompanied by the Paymaster's receipt of the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed "Report of the proceeds of the effects of —— ——, late of company (—,) —— regiment of ——, who died at —— the —— day of ——, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General, and one retained by the officer.

NOTE 6.—Where a soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 7.—Form 1 will be forwarded in duplicate to the Adjutant General, through Regimental Headquarters, as soon as possible after the death of the soldier, accompanied by one copy of Forms 2 and 3, or 4, as the case may require. A duplicate of the inventory (Form 2) should be retained until the articles are finally disposed of.

NOTE 8.—The papers for each man should be made SEPARATELY *for each man*, and, when possible, fastened together. This is especially necessary, and must be done in all cases. The papers cannot be properly disposed of at the Adjutant General's Office unless this is done, and must be returned for correction.

NOTE 9.—Where there are no line officers, as, for instance, a general hospital without a line officer to command the guard, the Council of Administration may be made up from other commissioned officers, in the same way as prescribed for line officers.

NOTE 10.—Where a soldier dies away from his company or regiment, and the officer having charge of him cannot furnish Final Statements by reason of not being able to obtain a Descriptive List, he should notify the regimental or company commander, (giving him full particulars as to history and description of the man, as far as possible,) whose duty it will then be, in such case, to furnish the necessary papers from the best data he can obtain.

FINAL STATEMENT

OF

Jno. Peters

Reg't of Mich

VOLUNTEERS.

Nov 1st 18*64*

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay &c. due him, and the captain or other COMMISSIONED officer commanding the company will certify to the fact of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the——— day of ———, 186–." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the —— day of ———, 186–."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

OF

James W Benton / Benton Co. F

1st Reg't of U.S.C. Infantry

19th

VOLUNTEERS.

Must. Nov 10" 1864

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

Co E

OF

Pvt. Samuel Berryman

19th Reg't of Wisc'd Infy

VOLUNTEERS.

Hall 4076

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the cap'ain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension, special care* must be taken to state the *degree* of disability—as ½, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feined or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates *direct* to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Sir.

I have the honor to request a leave of absence for (20) Inenty days, and for the following reasons.

I hold "Letters of Guardianship" for Heman S. and Frances A. Worden and have for fin years. When I entered the Service I left their business and mine unsettled and the papers respecting it are still incomplete and require my personal attention. Heman is of age now and Frances will be before a great while and it is but justice to them as to myself and my family that time be allowed me to arrange my papers and settle my business with them. Beside, I am at present unfit for duty and have been the greater part of the time, for two months, from "Chronic Ulceration" of the right leg: and I need an opportunity to rest and regain my health. The "active Service" in which I have always engaged would seem to warrant me that privilege.

I have the honor to be, very respectfully,
Your Obedient Servant

Medical Director's Office, Middle Department, 8th Army Corps,

Baltimore, Md., April 13 1864.

The Surgeon in charge of the Marine *General Hospital, will admit the following named men.*

NAME.	RANK.	CO.	REGT.
S. Bolden	Pvt	C	19th U.S.C.T.

Surgeon, U. S. Army,

Medical Director.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension, special care* must be taken to state the *degree* of disability—as ½, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feined or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates *direct* to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Duplicate sent the Pension Office.

FINAL STATEMENT 18,

OF

Sergt. James Bond Co. "C"
19th Regt of U.S.C.T.

VOLUNTEERS.

Rec'd July 30 1864

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a VETERAN," (or RECRUIT) the words *as a veteran*, (or *recruit*,) as the case may be, should be inserted, after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruiting Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

FINAL STATEMENT

OF

James S. Bond

1st Lt 11 Reg't of Artillery Troops,

VOLUNTEERS.

Last July 31st 1864.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates on these certificates the Soldier is "entitled to" [illegible] *discharge*. He should also present his discharge to the Paymaster to have [illegible] indorsed on it [illegible] to be given back to the [illegible] Paymaster [illegible] as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled [illegible] for the use of his horse, the Company Commander will certify the fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTES.

1. The amount of any *extra* pay for which the soldier may be mustered, *ex. gr.* as *Acting Hospital Steward*, as *Saddler*, &c., and which may be *still due* him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the *whole* amount *hitherto paid* him; in that of "BOUNTY DUE," the *whole* amount *yet due* him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for *loss* or *damage* done to *arms*, or other *public property*, must be noted, and the *articles*, and *particular damage* to each, specified. When stoppages are due, under sentence of a Court Martial, *a transcript of the same* must be entered here; and the amount *already stopped*, must be *carefully* stated.
4. In every case of *desertion*, the *date*, and that of *delivery*, or *apprehension*, must be given, together with a correct transcript of the order of *sentence* or *pardon*.
5. *A careful settlement of the man's* CLOTHING ACCOUNT *must be made, to date, and the amount* DUE TO, *or* FROM *him must be precisely stated.*
6. Should the man have been engaged in any *action* or *skirmish*, it must be mentioned, together with *date* and *place*. *A full and particular mention* will be made of any *wounds* he may have received in *action*, or *other injury*, whilst in the *line of his duty*.

[A. G. O. No. 93.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and indorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*; and under the heading "When Mustered in" will be given the date when the soldier was drafted; under "Where Mustered in," will be given the place from which drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *4th D. Mass.*; (meaning 4th Enrollment District, State of Massachusetts.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men *acting* as such.

I CERTIFY *that the above is a correct transcript from the Records of* This Genl Rendezvous for Recruits from the State of Maryland for U. S. C. Troops.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of —— ——, late of company (—,) —— regiment of ——, who died at ——, the —— day of ——, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE. 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5.) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of —— ——, late of company (—,) —— regiment of ——, who died at ——, the —— day of ——, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

SEC. 12. *And be it further enacted*, That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars; which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

Duplicate with Inventory sent 2d Auditor.

FINAL STATEMENT 9,

OF

Samuel Bond Corp. "L"
19th Reg't of U.S. Colored Troops

VOLUNTEERS.

Dated Aug 8. 1865.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

FINAL STATEMENT

OF

Joseph Bostwick
late Co. C
9 Reg't of N.J.
1st
VOLUNTEERS.
Died Oct 12th 1864

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

NOTES.

1. The amount of any *extra* pay for which the soldier may be mustered, *ex. gr.* as *Acting Hospital Steward*, as *Saddler*, &c., and which may be *still due* him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the *whole* amount *hitherto paid* him; in that of "BOUNTY DUE," the *whole* amount *yet due* him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for *loss* or *damage* done to *arms*, or other *public property*, must be noted, and the *articles*, and *particular damage* to each, specified. When stoppages are due, under sentence of a Court Martial, a *transcript of the same* must be entered here; and the amount *already stopped*, must be *carefully* stated.
4. In *every* case of *desertion*, the *date*, and that of *delivery*, or *apprehension*, must be given, together with a correct transcript of the order of *sentence* or *pardon*.
5. *A careful settlement of the man's* CLOTHING ACCOUNT *must be made, to date, and the amount* DUE TO, *or* FROM *him must be precisely stated.*
6. Should the man have been engaged in any *action* or *skirmish*, it must be mentioned, together with *date* and *place*. *A full and particular mention* will be made of any *wounds* he may have received in *action*, or *other injury*, whilst in the *line of his duty*.

[A. G. O. No. 93.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horses.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*; and under the heading "When Mustered in" will be given the date when the soldier was drafted; under "Where Mustered in," will be given the place from which drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *4th D. Mass.*; (meaning 4th Enrollment District, State of Massachusetts.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men *acting* as such.

I CERTIFY *that the above is a correct transcript from the Records of* This Genl. Rendezvous for Recruits from the State of Maryland for U.S.C. Troops

When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*; and under the heading "When Mustered in" will be given the date when the soldier was drafted; under "Where Mustered In," will be given the place from which drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *4th D. Mass.*; (meaning 4th Enrollment District, State of Massachusetts.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men *acting* as such.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service) that he may at once receive from the Paymaster the pay, &c., due to him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement

NOTE 7.—This blank will be used for deceased volunteers and drafted men as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words (*veteran*, or *recruit*.) as the case may be, should be interlined after the words *mustered into the service of the U. FINAL STATEMENT

OF

Joseph J. Bostwick
Late Co. C
1st Reg't of M. C. V.
1st

VOLUNTEERS.

Died Oct 12th 1864

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive-list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN" or RECRUIT," the words *as a veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered out of the service of the United States*. A statement of all the installments of "Veteran," or "Bounty" due the Soldier must be entered on the back of each final statement.

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

FINAL STATEMENT

OF

Brevt. John W. Bowyer
Co. F 19th Reg't of Colored Troops

VOLUNTEERS.

Died January 20th 1865

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

FINAL STATEMENT

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran or Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

NOTES.

1. The amount of any *extra* pay for which the soldier may be mustered, *ex. gr. as Acting Hospital Steward, as Saddler, &c.*, and which may be *still due* him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the *whole* amount *hitherto paid* him; in that of "BOUNTY DUE," the *whole* amount *yet due* him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for *loss* or *damage* done to *arms*, or other *public property*, must be noted, and the *articles*, and *particular damage* to each, specified. When stoppages are due, under sentence of a Court Martial, *a transcript of the same* must be entered here; and the amount *already stopped*, must be *carefully* stated.
4. In *every case of desertion*, the *date*, and that of *delivery*, or *apprehension*, must be given, together with a correct transcript of the order of *sentence* or *pardon*.
5. *A careful settlement of the man's* CLOTHING ACCOUNT *must be made, to date, and the amount* DUE TO, *or* FROM *him must be precisely stated.*
6. Should the man have been engaged in any *action* or *skirmish*, it must be mentioned, together with *date* and *place*. *A full and particular mention* will be made of any *wounds* he may have received in *action*, or *other injury*, whilst in the *line of his duty*.

[A. G. O. No. 93.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and ~~his~~ to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the TREASURY Dep't.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was drafted, or, if a *substitute*, when enlisted, (substitutes, under the Enrollment Act, are mustered in by enlistment;) under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted;) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *4th D. Mass.*; (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men *acting* as such.

SEC. 12. *And be it further enacted,* That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars; which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

SEC. 13. *And be it further enacted,* That any agent or attorney who shall, directly or indirectly, demand or receive any greater compensation for his services under this act than is prescribed in the preceding section of this act, or who shall contract or agree to prosecute any claim for a pension, bounty, or other allowance under this act, on the condition that he shall receive a per centum upon any portion of the amount of such claim, or who shall wrongfully withhold from a pensioner or other claimant the whole or any part of the pension or claim allowed and due to such pensioner or claimant, shall be deemed guilty of a high misdemeanor, and, upon conviction thereof, shall, for every such offense, be fined not exceeding three hundred dollars, or imprisoned at hard labor not exceeding two years, or both, according to the circumstances and aggravations of the offense.

Approved July 4, 1864.

NOTE 10.—If any soldier is charged a higher fee than that allowed by the above act, he should report the fact and the name of the agent to the Adjutant General, in order that steps may be taken to have the same refunded.

FINAL STATEMENT.

OF

Gdr W. Applegate

10th Reg't of N. J. Troops

VOLUNTEERS.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due to him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable case* for *pension, special care* must be taken to state the *degree* of disability—as ½, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates *direct* to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable case* for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opathalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these [illegible] the Adjutant General United States Army, at [illegible] they will not, under any circumstances, be given

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the——— day of ———, 186–." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the —— day of ———, 186–."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT 19

OF

Priv Samuel Price

19th Reg't of Vt Vol Infty

VOLUNTEERS.

Died Dec 22/64.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of —— ——, late of company (—,) —— regiment of ——, who died at ——, the —— day of ——, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5,) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of —— ——, late of company (—,) —— regiment of ——, who died at ——, the —— day of ——, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—**Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.**

FINAL STATEMENT

OF

Corporal Chas. P. Brightwell

19th Reg't of U. S. C. Troops

VOLUNTEERS.

Died Sept 13th 1864

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

FINAL STATEMENT

OF

George Brooks Co. D
19th Reg't of N.J. V.I.

VOLUNTEERS.

died July 30th 1864

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTES.

1. The amount of any *extra* pay for which the soldier may be mustered, *ex. gr.* as *Acting Hospital Steward*, as *Saddler*, &c., and which may be *still due* him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the *whole* amount *hitherto paid* him; in that of "BOUNTY DUE," the *whole* amount *yet due* him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for *loss* or *damage* done to *arms*, or other *public property*, must be noted, and the *articles*, and *particular damage* to each, specified. When stoppages are due, under sentence of a Court Martial, *a transcript of the same* must be entered here; and the amount *already stopped*, must be *carefully* stated.
4. In *every* case of *desertion*, the *date*, and that of *delivery*, or *apprehension*, must be given, together with a correct transcript of the order of *sentence* or *pardon*.
5. *A careful settlement of the man's* CLOTHING ACCOUNT *must be made, to date, and the amount* DUE TO, *or* FROM *him must be precisely stated.*
6. Should the man have been engaged in any *action* or *skirmish*, it must be mentioned, together with *date* and *place*. *A full and particular mention* will be made of any *wounds* he may have received in *action*, or *other injury*, whilst in the *line of his duty*.

[A. G. O. No. 93.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Dep't.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was drafted, or, if a *substitute*, when enlisted, (substitutes, under the Enrollment Act, are mustered in by enlistment;) under "Where Mustered In," will be given the place from which drafted, (or if a substitute, where enlisted;) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: *4th D. Mass.*; (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers, not by enlisted men *acting* as such.

FINAL STATEMENT.

OF

Private George Brooks
Co. B 2d Reg't of U. S. C. Troops

VOLUNTEERS

Dec 31st Nov 9th 1866

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due to him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the Soldier is a drafted man or substitute, the space for "Remarks," should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit bounty* RECEIVED by the Soldier must be made on the back of each final statement.

FINAL STATEMENT

OF

George W. Brooks

14th Reg't of U. S. C. Troops

VOLUNTEERS.

Died May 13th 1864

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a ful lstatement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
